MESSAGE

We are delighted to know that University of Applied Sciences in Nysa in cooperation with Nysa Municipality is organizing the first EuroIndia Days in Nysa. It is indeed a matter of great satisfaction for all of us that this event is being held during the 60th anniversary of establishment of India-Poland diplomatic relations.

2. India and Poland have traditionally enjoyed warm relations. It is our endeavour to strengthen our bilateral ties and build a multi-faceted relationship in education and culture and in all spheres.

3. I also congratulate the University of Applied Sciences for the opening of created EuroIndia Contact Point at the University compound.

4. On this occasion, I extend my warm greetings and felicitations to the organizers, participants and prestigious institutions namely, EuroIndia Centre in France, Indo-Polish Cultural Committee (IPCC), Indo-Polish Chamber of Commerce and Industry (IPCCI) and others. I would also like to convey my thanks and appreciation to all the sponsors of the event. I wish the EuroIndia event all the success.
